MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: R. E. Hineman
Deputy Director for Science and Technology

SUBJECT: Defense Science Board Task Force on Imprecisely Located
Targets (U)

REFERENCE: Secretary of Defense Memo X40896, dated 23 Oct 86, Same
Subject

I concur with Secretary Weinberger's recommendation in paragraph 3 of the reference. The senior level steering committee on which I am a member is best suited to handle this issue.
